Hello to all you members of the Swift Current Wildlife Federation. We, the executive just want to touch base with you again and remind you of a few things that have slipped by the wayside with all of interference from Covid and others.

We now have a good mix of new and ambitious members on the executive along with a few of the old guard and things are looking good for the future of S.C.W.F. We can still find room for more people to help in various places. Your input would be welcomed .S.C.W.F. e-mail address is **swiftcurrent.wildlife@gmail.com** and our website is scwf.ca If you want to volunteer we'd love to have you contact us.

In light of increasing postal costs, and as an easy way to keep in touch, we are asking you to send us your e-mail address so we can send further newsletters by email. You can go to our website and fill in the form.

The S.C.W.F. trophy competitions need more participation. We have new horn scorers. Check our website for contact information.

The photography competition needs entries for both wildlife and scenery. Send your entries for awards and trophies to our email address. (see above)

Follow our Facebook page or check our website for more information.

Thank you

S.C.W.F. Executive
